MATCHING GIFT COMPANIES

Family Campaign 2009-2010

Most sizeable corporations have matching gift programs for their employees. In most cases, your contribution is matched dollar-for-dollar by your employer. Please ask your human resources department for the procedure and appropriate forms to process your matching gift. Some companies have convenient on-line options. Please process quickly. Matching gifts are time-sensitive.

**Please note that some companies have time limits on when these contributions can be matched.
Mail in your donation directly with your matching gift forms. Please do not delay!**
