

Girl Scouts Heart of the Hudson's

# *Spirit Day*

will be celebrated council-wide  
on Saturday, **April 24, 2010.**

This is an ideal opportunity  
for getting together with your troop  
or community and sharing  
the fun and enthusiasm  
we all find in Girl Scouting.

An excellent result of Spirit Day is *visibility*, so plan on  
doing something fun — a troop or community  
get-together, a service project, whatever you and your  
girls would like — to help make folks aware  
that the Girl Scouts are  
green and growing in your area.

Watch for two forms on the council website. The first will  
tell us what you're planning on doing  
for Spirit Day so we can alert the media.  
The second will tell us what you did and how visible you  
were. Awards for creativity and visibility  
will be presented at the Membership Meeting in the fall.

Have fun and show your GIRL SCOUT SPIRIT!!!
